Report of Principal and School Improvement Council

Saluda High School is dedicated to providing students with the best possible opportunity to receive an excellent education. We believe in holding all students and staff to high standards and fostering an environment in which everyone can be successful. The 2009-2010 school year has been another great year for the students, faculty, and staff of Saluda High School.

Academically, we continue our trend of overall improvement. Our preliminary score reports on our End of Course (EOC) examinations indicate gains in English, math, United States History, and physical science. We are anxiously awaiting our final scores for the current year on the EOC examinations and HSAP. We attribute our academic success to our structured program of staff development, our Academy Time for targeted academic assistance, and the hard work of our students, faculty, and support staff. This year, we continued implementing professional learning communities, where teachers collaborate to focus on student learning. We also conducted a yearlong study on grading practices and began to expand and refine our use of formative assessment. During 2009-2010, we increased our dual credit course offerings through Piedmont Technical College, adding Math 120 / 121 (probability and statistics). We also plan to add History 101/102 (Western Civilization) for the 2010-2011 school year.

The graduating class of 2010 was the largest since 1989, boasting 142 seniors. Our senior class as a group was awarded over \$1,600,000 in scholarships. Forty-five seniors were eligible for either a two or four year Life Scholarship. This was an outstanding accomplishment for our senior class. Five students received the President's Award for Educational Excellence and three seniors received Palmetto Fellows Scholarships.

Once again, our athletic teams, clubs, and organizations excelled on the regional and state levels. The Saluda High School Athletic Department had 2 Coaches of the Year, 3 Region Players of the Year, 3 athletes that made All-State Teams, 1 athlete named to an All-Star Team, and 35 athletes selected to Region 3-AA All Region Teams. Eleven out of fourteen varsity teams qualified for the state play-offs (as a team or as individuals). Our softball team had an exceptional season, finishing first in our region.

One of our art students won second place in the nation in the National Wild Turkey Federation Art Contest. Our Future Farmers of America (FFA) organization was recognized as the county winner of the Adopt-A-Highway program and a team of our FFA members placed first in the Woodland Clinic. Our NJROTC rifle team won the greater Columbia Region title for marksmanship.

This past year has been a very exciting year to be a part of the Saluda High School family. We pledge to build on the success we had this year and continue to improve in the months and years to come.
